Bath-Brunswick Branch

December 2012

Holiday Party

Come join your friends at Curtis Library in the Morrell Meeting Room which will be decked out with holiday greens and treasured decorations belonging to board members.

The elegant cocktail buffet is prepared by branch members, and we are looking for any ladies who would like to contribute a favorite holiday treat. Please bring your food attractively plated and ready to serve, including serving utensils. Contact Deborah Cravey if you can help.

Greens Event

For those members who are new to the branch, each year we hold a "Greens Event" at which we invite and encourage members to bring their "greens" (cash or check!) to support both our local scholarship to a non-traditional student and our annual donation to the national AAUW Funds. Should you be unable to attend, kindly mail your donation to Sonia Lofgren, Treasurer, 86 Toad's Landing, Brunswick 04011.
